

Grenada's Citizenship by Investment Program

How to obtain citizenship in Grenada

Via a non-refundable contribution to the government in return for citizenship

Government of Grenada non-refundable contribution

Single Applicant	\$150 000
Main Applicant + Spouse	\$200 000
Family of 4	\$200 000
Family of more than 4 family members	\$25 000 US for each additional

PLUS government fees + legal fees

Via investing into a government-approved project with an opportunity to resell your share in the hotel in 5 years

Obtaining Grenada citizenship by investment in one of the government-approved projects

Object of ownership -share of ownership in the InterContinental Grenada.

The profit will be distributed depending on its availability every year as soon as the hotel opens - i.e. from the work and loading of the hotel.

After 5 years, the share can be sold. The sale price will depend on the market price in 5 years.

Investments and expenses for the family:

- \$220,000 for InterContinental Grenada PLUS
- Government fees, which depend on the number and age of family members in the application, PLUS,
- \$5,000 US legal support
- You do not need to pay the entire amount at once. Initially, only \$22,000 US (10% of the cost of buying a hotel share, refundable in case the Grenadian bank suddenly does not give the go-ahead) + \$5,000 US for registration (legal support of the entire process) + part of the state fees.
- A free week in the use of a room in the resort is provided per year. Until the construction of this resort is completed, alternative hotels are provided for use, 1 week per year is the Park Hyatt St. Kitts or Cabrits Resort & Spa Kempinski in Dominica.

Benefits of Grenada Citizenship

- Visa free travel to over 140 countries, including UK (6 months out of 12), Schengen countries (90 days out of 180), China, Russia.
- Relatively fast processing and approval (subject to due diligence) within 5-6 months without the need to reside / visit Grenada.
- Tax advantages.
- Spouse, children (up to the age of 30, if not married), siblings and parents may be included in one citizenship application (subject to various eligibility conditions).
- Ability to resell the investment after 5 years, while the original investor maintains his citizenship.
- Full investment is made ONLY after approval of Citizenship application by the Government.
- Ability to resell the investment after 5 years, while the original investor and his family maintain citizenship.
- The ability to apply for a US E-2 visa

E-2 program Main Benefits

Application for an E-2 visa can only be done if you hold citizenship of the country with an E-2 treaty with the USA. Only residency of the country, will not qualify you for an E-2 visa.

- **Quick:** The E-2 visa process can usually be completed within a month or two.
- **Affordable:** E-2 visa investments generally start from \$100,000.
- **Flexible:** Investors can set up new businesses, purchase existing businesses, or even purchase franchise businesses.
- **Family Friendly:** The spouse and minor children (under 21) of an E-2 visa principle are included. The spouse can work (with work authorization) for the E-2 business or almost any other employer. The spouse and the children (while still under 21) can attend college with an opportunity to enjoy in-state tuition fees.
- **Ability to sponsor:** USA E-2 visa holders can sponsor specialized employees from their nation (non-family members) to work in their E-2 business.
- **Controllable:** The E-2 visa holder will develop and direct the business, allowing them to ensure its success.
- **Renewable:** The E-2 visa can be renewed indefinitely, as long as the E-2 business maintains operations.
- **Tax planning:** E-2 visa holders can spend up to 120 days in the USA without being subject to worldwide income taxation

The Steps to Apply for Citizenship
